Ohio Down 'Dry' Forces; Tam-

York City Balloting

[Associated Press by Federal Wireles]
BOSTON, Mass., Nov. 2.—Samuel
W. McCall, Republican, will succeed
Governor David Walsh, Democrat, ac-
cording to the reports as the election
count proceeds today. After leading
Walsh by a slight margin in the ear-
lier returns, McCall's ascendancy in-
creased strongly today and it is now
claimed that no later returns can
change the result.

Massachusetts has declined to
amend the constitution to allow wo-
man suffrage, the defeat of the "votes
for women" issue being overwhelm-
ing.

TAMMANY WINS VICTORY

NEW YORK, N. Y., Nov. 3.—Tam-
many Hall Democrats have won a vic-
tory in the city elections, but the
state election of members of the leg-
islature apparently will give the Re-
publican candidates a strong prepon-
derance.

For the first time in 15 years Tam-
many has been able to elect its candi-
date for district attorney—Judge Ed-
ward Quinn. The Tammany candi-
date for sheriff has been successful
and it looked also as if the majority
of aldermen will be Tammanyites.

MARYLAND DEMOCRATIC

BALTIMORE, Md., Nov. 2.—Gov-
ernor Goldsborough, Republican, will
be succeeded in office by a Democrat,
Emerson C. Harrington. As the re-
sult of yesterday's election, Ovington
E. Waller, the Republican candidate,
was defeated in a hot fight.

PENN. DOWNS SUFFRAGE

PHILADELPHIA, Pa., Nov. 2.—The
suffrage question was uppermost in
yesterday's elections and the day's
balloting resulted in a heavy defeat
for the suffrage forces.

OHIO BEATS "DRYS"

COLUMBUS, O., Nov. 3.—The count
on yesterday's vote has definitely de-
cided that prohibition has been beaten
in Ohio.

(In many of the cities and states
where elections were in progress yes-
terday the counting of ballots has
been very slow and the minor offi-
ces are still undecided. Outside of
the gubernatorial and suffrage issues
there was not much general interest
in the election elsewhere than in the
states balloting.)

GRAND JURY TO PROBE CASE OF J. MARCALLINO

The case of John Marcallino, for-
mer clerk of Circuit Judge W. L. Whit-
ney's court, who was arrested yes-
terday on a charge of embezzlement,
will probably be turned over to the ter-
ritorial grand jury tomorrow for in-
vestigation by that body.

This is according to City Attorney
A. M. Brown, who since yes-
terday has been working on the case.
Attorney Brown said that there were
no important overnight developments
in the case. Marcallino still is con-
fined in the city jail, and has thus far
refused to endeavor to secure bail. It
is said. It was learned today that
Marcallino has left all matters in the
hands of R. W. Breckons, whom he
has retained as his attorney.

Confessions were rife in circuit
court circles today regarding what
Marcallino has done with the \$30,000
which it is alleged he embezzled. One
attorney raised the question whether
Marcallino might have had a legal
right to sell or otherwise dispose of

TYPHON SWEEPS SOUTHERN LUZON; MANILA MENACED

200 Dead and Million-Dollar
Property Loss Reported in
South Districts

[Associated Press by Federal Wireles]
MANILA, P. I., Nov. 3.—A disastrous
typhoon has swept over Southern Lu-
zon and is heading for Manila at ter-
rific speed, according to reports from
the south. The reports say that 200
people are known to be dead, and the
property loss will reach a million dol-
lars.

Two vessels were caught in the
storm and foundered. Their crews are
saved.

COAST STEAMER WRECKED; LIVES LOST IN STORM

[Associated Press by Federal Wireles]
MARSHFIELD, Ore., Nov. 3.—The
coasting steamer Santa Clara, which
went ashore last night near the south
point at Coos Bay, is probably a total
loss, as the sea is pounding her heav-
ily on the reef. Eleven of those aboard
are known to be dead as their bodies
have been recovered. Nine are still
missing. The steamer carried 49 pas-
sengers and a crew of 24. The sur-
vivors who are able to travel have been
brought here.

According to the mate, the steamer
struck a shoal which was recently
formed by the action of waves and
currents and which has not been
charted.

VILLA GETS ENOUGH FOR AWHILE AND RETIRES; HE MAY COME BACK LATER

[Associated Press by Federal Wireles]
DOUGLAS, Ariz., Nov. 3.—After his
unsuccessful attack on Agua Prieta,
Gen. Villa retired today to Anavacachi
Pass, 12 miles southeast of here. Am-
munition shortage and hunger and
thirst on the part of his troops com-
pelled him to abandon hostilities for
the present, and it is believed that he
will get a new supply before renewing
the attack.

Villa left 336 men dead on the field.
The known casualties among the Car-
ranzistas are 25 dead and 75 wounded.

MAY SHOW AVIATION COMMANDER GAVE NO WARNING OF DANGER

[Associated Press by Federal Wireles]
SAN FRANCISCO, Cal., Nov. 3.—
The defense in the courtmartial of
Col. Lewis E. Goodier, charged with
conduct prejudicial to the service in
criticizing the San Diego army avia-
tion school, will soon be put on. It
is expected to be an attempt to prove
that Capt. Cowan, commanding at the
school, knew that some of the army
machines used were unsafe, and that
officers assigned to these unsafe ma-
chines were not warned.

FAMOUS SURGEON OF CIVIL WAR IS DEAD

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Nov. 3.—
Brig-Gen. George Miller Sternberg,
retired, died at his home here today.
He was a famous surgeon in the Civil
War and later was surgeon-general.
He had command of the medical ser-
vice during the war with Spain, and
was a member and secretary of the
commission which headed the work of
stamping yellow fever out of Havana.
He was 77 years old.

FRANCE AND BRITAIN TO RECOGNIZE CARRANZA

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Nov. 3.—
France and Great Britain are ready to
recognize President Carranza as head
of the de facto Mexican government.
President Wilson is considering au-
thorizing Gen. Funston, who is in com-
mand of the border troops, to cross
the border in case it is necessary to
protect Douglas from shell and gun-
fire.

ADMIRAL PHELPS DIES AT HOME IN OAKLAND

OAKLAND, Cal., Nov. 3.—Rear-

[Associated Press by Federal Wireles]
PEKING, China, Nov. 3.—France has
retified the demand of the other Al-
lies that China postpone the proposed
change in government until after the
war.

Should the electorate favor the
change, it is probable that the corona-
tion of the new emperor would not
take place until the end of the war. The
Peking News declares, "America
is watching events quietly. That is a
source of encouragement for China."

RUMOR BECKLEY HOME IS SOUGHT BY ST. FRANCIS

Report Current of Big Deal
That May Turn Fine Beach
Residence Into Hotel

* Persistent rumors that a big hotel
deal is being negotiated, by which
the beautiful George C. Beckley home
at the foot of Diamond Head would be
acquired by mainland interests, have
within the past two days become
more pronounced. Report today de-
clares that the men behind Rudolph
("Heinie") Heydenreich are the own-
ers of the St. Francis hotel in San
Francisco, a syndicate which has
other large holdings, including a great
hostelry in Seattle.

For several days past it has been
current street rumor that Heyden-
reich, who until recently was manager
of Heinie's Tavern, was negotiating
to acquire the Beckley property. His
friends have been informed that the
visit of Robert W. Shingle of the Wa-
terhouse Trust company to San Fran-
cisco might bring about a closing of
the negotiations with Mr. and Mrs.
George C. Beckley and the capitalists
supposed to be behind "Heinie." How-
ever, inquiry at the Waterhouse Trust
offices today brought the statement
that nothing definite has been settled,
nor is it known definitely that Shingle
has taken up the matter.

Mr. and Mrs. Beckley are now on
the coast and the deal may be closed.
If it is closed at all, within a very
short time.

Heydenreich plans to put up a large
number of cottages on the grounds, to
divide the big residence itself into
suites, to better the bathing beach
adjacent and make other improve-
ments.

Twice previously there have been
rumors that the St. Francis people
were planning to secure large beach
homes for hotel purposes. Both times
the deal failed to materialize.

THREE MORE BIG DONATIONS FOR ARMENIAN FUND

The funds which are being raised
in Honolulu to aid the people of
stricken Armenia were substantially
increased today by three more dona-
tions, amounting to \$350 and bringing
the total fund to date to \$1730.

W. A. Bowen, who has charge of
the collections, reports the following
donations received today:

Mrs. J. M. Atherton Trust, \$250.
Mrs. F. A. Schaefer, \$50.
Mr. and Mrs. Theodore Richards,
\$50.

Subscriptions to the amount of \$620
were received by Mr. Bowen yes-
terday, following the announcement in
Saturday's Star-Bulletin of the move-
ment to aid the Armenians.

WOMAN SAYS HUSBAND CUT HER LIP WHILE BRANDISHING RAZOR

Nick Tachiana is wanted by the po-
lice and probably will be arrested to-
day for seeking to kill his wife with a
razor. Mrs. Tachiana, a Russian wom-
an who lives on Beretania street near
River street, was cut on the lip and
claims that her husband chased her
and slashed at her with the razor.
She managed to escape with only a
slight cut on the lip and face, which
was dressed at the police station this
morning shortly after the cutting oc-
curred.

DAHU WILL HAVE 22,000 TROOPS UNDER NEW PLAN

Maj.-Gen. Carter Tells Ad Club
Barracks for 12,000 Men
Men Will be Erected

PRESIDENT FARRINGTON
WELCOMED BACK TO FOLD
Luncheon Serves as Farewell
for Army Commander and
Greeting to Club President

"I prophesy that within a year build-
ings will be in the course of construc-
tion for 12,000 additional soldiers for
Oahu, and in less than two years
there will be more than 20,000 men
stationed on this island," said Maj-
gen. William Harding Carter, during
the course of his farewell speech to
the Ad Club at noon today.

Gen. Carter said that he had been
informed officially some time ago that
6000 men would be sent here as soon
as barracks were provided and that
just a few days ago he had received
official notification that the War Col-
lege had recommended that still an-
other 6000 men be sent here. The
12,000 men would be sent here, he
said, just as rapidly as they could be
spared from the mainland, and bar-
racks constructed here for them.

Another important announcement
made by General Carter is that A. A.
Jones, first assistant secretary of the
interior, had promised him when on
the islands last May that he would
do all he could to aid the movement
to have the government build a mil-
itary road to encircle Oahu out of civil-
ian funds and without touching the army
appropriation. Roads are built in
Alaska on this plan, and General Car-
ter said he had reported to Washing-
ton as emphatically as he could that
such a road is needed here.

Opening his remarks, General Car-
ter said that he did not feel like jok-
ing, because his leaving is to him too
serious a matter.

"An enormous amount of construc-
tion work has been done on this is-
land," General Carter said, "and a
great deal remains to be done. As a
soldier, I see the military side of this

ISSUE WARRANTS FOR CULLEN AND CHARLEY CASH

Former Policeman Will be Tried
on Charge of Assaulting
Grand Jury Witness

At the instance of City Attorney A.
M. Brown, warrants were issued by
Circuit Judge Ashford shortly after 3
o'clock this afternoon for the arrest of
Sylvester Cullen, former traffic po-
liceman, and Charley Cash, former in-
mate of the city jail, charging them
jointly with assault and battery in
two instances.

The first charge is that of assault
on Mrs. H. F. Riedel and the second
that of assault on Riedel himself,
who was a witness before the terri-
torial grand jury in connection with
the city jail scandal.

Attorney Brown said that the cases
of Cash and Cullen will go to trial
before Circuit Judge Ashford at 9
o'clock tomorrow morning. Asked to
explain this rather unusual procedure,
Mr. Brown added:

"We have adopted a new plan and
are going to start it going tomorrow.
There is very little criminal work in
the circuit court, and too much of it
in district court for one judge to han-
dle. We have planned to relieve some
of the congestion in police court."

Cullen and Cash visited the Riedel
home last Saturday night and, accord-
ing to Riedel, were about to assault
both Riedel and his wife, Cullen strik-
ing the wife. Riedel went to the po-
lice station Monday with a view to
swearing out warrants against Cash
and Cullen, but refrained from doing
so on the understanding that the mat-
ter would be brought to the attention
of the grand jury.

DEFINITE PROGRAMS FOR WEEK OF PRAYER

Members of the committee who
were appointed to plan the program
for the week of prayer at the Y. M.
C. A. met this afternoon in Cooke
Hall and made arrangements for the
entire program for the week begin-
ning November 14. Each noon from
12:30 to 12:50 there will be a prayer
meeting in Cooke hall and each even-
ing during the week addresses will be
made by different speakers at 7
o'clock in the association lobby. The
members present at today's meeting
were R. H. Lowrey, I. D. Canfield, Will
Rasmussen, L. B. Sutes, Harold Hill,
Sam Kahalawai and Towse Young.

ITALIAN PREMIER HAS STORMY PATH TO WALK

Antonio Salandra, the Italian
premier, is the subject of some
criticism now. The anti-war party,
which vainly endeavored to keep
Italy from joining the Allies,
claims that Italy's failure to shat-
ter the Austrian line at once is
full endorsement of the position
of the "neutrals." Salandra is
criticized also for the conduct of
the war.

The following cablegram from offi-
cial German sources was received late
yesterday:
German Army Headquarters, Nov. 2.
—The French attempts to conquer the
Basse de Tahure in the Tahure sec-
tion, for which there has been bitter
fighting, failed today.

"On the west front Gen. von Hinden-
berg's army advanced along the rail-
road from Tackum to Riga. Russian
attacks in front of Riga were repulsed.
The fighting between Swentem and Al-
sen Sea is still going on, 500 Rus-
sians being captured here. West of
Czartoryk, Gen. Linsingen's army is
progressing, the Russian attempts to
hinder the advance failing and heavy
losses being suffered.

"Near Siemikowce Russians succeed-
ed in entering the trenches held by
Gen. von Bothmer's troops but by a
counter attack the trenches were re-
conquered. Furthermore, the Germans
stormed the larger part of Siemikowce
and 2600 Russians were taken pris-
oner.

"In the Balkans, Zazak has been oc-
cupied. The passage from the heights
south of Grn Milanovac into the
Morava valley has been secured by
the Germans. The heights south of
Kraguyevac have been taken by the
steadily progressing Teutons, and Gen.
Boyadoff's Bulgarian army is progres-
sing through the Nisava valley."

GERMAN OFFICIAL CABLEGRAMS

The following cablegram from offi-
cial German sources was received to-
day:
"German Army Headquarters, Nov.
3.—On the west front, north of the
Souchez salient, a trench of 100 me-
ters has been evacuated by the Ger-
mans. East of Peronne an English
aircraft was shot down by German
rifles, the pilot being taken prisoner.
"On the east front, Gen. von Hin-
denberg has repulsed Russian attacks
near Duenaburg, Illuxt and Garbu-
novka, the Russians only succeeding
in occupying Mikulishki.

"Gen. von Linsingen has progressed
along the road from Linovo to Cz-
artorysk, five officers, 680 soldiers and
three machine-guns being captured.
Gen. von Bothmer's fight in the north-
ern part of Siemikowce is still going
on.

"In the Balkans, Uscice has been oc-
cupied.

"The booty taken at the capture of
Kraguyevac, Serbia, by the Germans
was six cannon, 20 cannon-tubes, 12
mine-throwers and several thousand
rifles, as well as plenty of ammunition
and war material.

"Gen. von Koevess has captured 350
Serbians and four cannon and during
the last three days Gen. von Gallwitz
has taken 1100 Serbians.

"West of Planinica Gen. Boyadoff is
advancing, having taken 230 Serbians
and four cannon. Further southwest
of Kuyevac progress is being made,
300 Serbians and two machine-guns
being taken. Our troops, advancing in
the Nisava valley, gave way before
superior forces of the enemy."

HAWAIIAN SLASHES HIMSELF WITH RAZOR IN SUICIDE ATTEMPT

Joe Kaana, a Hawaiian about 50
years of age, made an attempt to com-
mit suicide at his home on Liliha
street opposite Kunalani lane at about
11:30 o'clock this morning by slash-
ing himself with a razor. He was tak-
en to the police hospital where his
wounds were dressed by Dr. R. G.
Ayer.

He had slashed his neck several
times and one long gash was made
across his face. He was taken to the

JAWS OF TRAP—BERLIN REPORT SAYS HINDENBERG
WITHDRAWS FROM EXTENDED ATTACK ON RIGA—MAY
UPSET PLANS OF GERMANS TO CAPTURE STRONGHOLD
AND ESTABLISH WINTER QUARTERS

[Associated Press Service by Federal Wireles]
LONDON, England, Nov. 3.—Reports from Sofia, Bul-
garia, say that French troops are landing from transports at
Kavala, Greece, in the hope of proceeding inland and reinforc-
ing the other French troops and Serbs in southern Serbia. It
is problematical if they can move forward quickly enough to
reach the scene of battle before the Allies have been defeated
by the superior forces of Teutons and Bulgarians. The in-
vaders are gaining ground consistently.

PETROGRAD, Russia, Nov. 3.—Persia has been notified
by the Entente Powers that the Anglo-Russian convention, pro-
viding for the maintenance of Persian integrity and independ-
ence, will lapse if the rumors are true that Persia is siding with
Germany and Turkey.

MILAN, Italy, Nov. 3.—Rumania is bargaining with the
diplomats of the Entente Powers in an endeavor to win the
pledge of the support of a huge army if she will enter the war,
according to rumors which have reached here from Bucharest
and other European capitals. The Rumanian Opposition,
which has been gaining strength for weeks and recently held
a massmeeting at which two former cabinet members were
speakers, is endeavoring to overthrow the cabinet presided
over by Premier Bratianu. Their plan is to force the forma-
tion of a ministry favorable to the Allies, after which terms
may be secured from the Entente Powers.

It is reported here on good authority that Rumania's en-
trance into the war is conditional upon the Allies sending half
a million men to her aid. Rumania apparently fears a quick
invasion by the Teutons and possible attack by Bulgaria in
case her lot is cast with the Allies and wishes to make certain
of enormous military strength before taking the step.

Europe.

Turkish Coast Town Bombarded

of Smyrna, destroying the Turkish forts, customs buildings,

ish quarter.
